Virtual Q&A Session – Zoom Webinar

### The PROFESOR: Q & A Session with the Author

This interactive session is designed for professionals who have previously participated in a workshop with Dr. Worling regarding the development and use of the PROFESOR (Protective + Risk Observations For Eliminating Sexual Offense Recidivism). The PROFESOR is a structured checklist to identify and summarize protective and risk factors for adolescents and emerging adults (i.e., individuals aged 12 to 25) who have offended sexually. The PROFESOR is intended to assist with planning interventions that can help individuals to enhance their capacity for sexual and relationship health and, thus, eliminate sexual recidivism. This meeting will provide participants with the opportunity to ask follow-up questions regarding both the coding criteria for the PROFESOR and the application of the results.

Dr. Worling would like to see your questions in advance so he can prepare ahead of time as much as possible. We encourage you to send questions to: [jodie.brown@morrisonkids.org](mailto:jodie.brown@morrisonkids.org) by September 7, 2021.
